The Mission of the Graduate Programs in Rehabilitation (GPR) at the University of Iowa is to prepare qualified rehabilitation counseling professionals who will assist persons with disabilities and other individuals who have barriers in meeting their functional needs in the areas of employment independent living, and personal or economic development. The Graduate Programs in Rehabilitation prepare these professionals to provide quality rehabilitation counseling services within an interdisciplinary and community-based context, serve as change agents and advocates for their clients, and sources of specialized knowledge and consultants for professionals, employers and others in the communities that they serve.

UI-ARCA NEWS

UI-ARCA (University of Iowa American Rehab Counseling Association) officially came into existence as one of the initial chapters of the American Rehabilitation Counseling Association in the end of October 2003. This is an exciting time and gives students the chance to participate and become actively involved in the profession development, as well as contribute to its voice. UI-ARCA has a new home. Visit the
We are very proud of the initiatives that UIARCA members are taking in their activities not only in the university, but in our community as well. No doubt these students represent what rehabilitation is all about: Integration, Inclusion, Independence! For more information on UIARCA activities and contact information please visit the UIARCA website!

FEATURED STUDENT

In this section we want to acknowledge the work, enthusiasm, and efforts of our rehabilitation students in both their academic and social environments. In this edition we wan to recognize MA student Gillian Fox

WRITING RESOURCES

Meet our new writing consultant Jennifer New. If you have a paper or assignment to complete, remember that writing is a process. The Writing Consultant can help you with every part of that process: interpreting assignments, brainstorming ideas, organizing sources, creating outlines, drafting, revising, and polishing. She can also help you deal with the conventions demanded by the APA style format. You may schedule half-hour appointments with the Writing Consultant as you engage in the process of writing a paper; a sign-up sheet is posted outside her office in LC N372.

The Spring 2004 schedule is:
