“LOCAL” Student Teaching Placement Areas

On the student teaching application, students will be asked to select the following:

1. **not to be** placed

   and one area which is identified as an area which is their

2. **placement preference**

   Please note: efforts will be made to place you in the area of your preference, however due to the number of students to place or availability of certain content areas the “not to be” placed area will only be used if no other reasonable option is available.
