

EDUCATION STUDENT TEACHER EMERGENCY NOTIFICATION

In recent semesters the teacher education program has experienced a few situations in which a practicum or student teacher has become ill while completing their field experience at a school site. With this in mind, we request that the student teacher print a copy of an “Emergency Contact Information” form which is found in the “Elementary Forms” packet. A copy of the completed form should be given to their cooperating teacher. The cooperating teacher may keep the form and/or give it to the school secretary whichever is appropriate with school protocol.

Student Teachers with two placements should provide an “emergency notification” form for each placement.
