Report of Student Teacher

ABSENCE from School or LATE ARRIVAL/EARLY LEAVES

University of Iowa

COLLEGE OF EDUCATION

Office of Student Field Experiences

The Cooperating Teacher may wish to have a mechanism for recording Student Teacher absences and situations in which the Student Teacher may have arrived late to school or have left early. Please use this form (also found in the Elementary Forms packet) to record this information. The Cooperating Teacher is asked to share this information with the University of Iowa Supervisor at regular intervals, particularly before the midterm conference and before the final conference. We ask the Cooperating Teacher to help us monitor this information so that should there be a problem we can document the Professional Responsibility of the Student Teacher.
