Free Application for Federal Student Aid (FAFSA) Instructions

Why FAFSA?

As a 2-year certificate program, students completing the R.E. A.C.H Program do not qualify for federal financial aid. Private scholarship funds are available. The REACH Program utilizes the University of Iowa's Financial Aid office to collect and process information provided on the Free Application for Federal Student Aid (FAFSA). This information is used to determine financial need for REACH scholarships.

What's different?

Because the REACH Program does not fit the typical university program, please follow the following instructions when completing the FAFSA form.

Deadline: To be able to use figures from the FAFSA form, the deadline for submitting the FAFSA is **MARCH 13, 2009**.

FAFSA forms are not available until January 1, 2009.
